

The Euro Handle

WinDoor
INCORPORATED

At WinDoor Incorporated, we deliver outstanding Doors & Windows with high performance capabilities. Our emphasis on custom product development along with superior design, helps us set-us apart from most window & door manufactures.

The Euro Handle

Interior and Exterior Handles Euro on the Series 7000 Optional for the 8100 or the 6000 Series

- The Euro Handle was designed with easy to use functionality in mind. The thumb turn is located within the handle face., giving it a clean designer look.
- Your Handle will match our standard colors to blend into the style frame color.

Euro Handles are made of zinc die-cast metal
