DS716-1406

**Scandinavia Cherry**

DS733-1401

**Himalaya Walnut**

DS733-1806

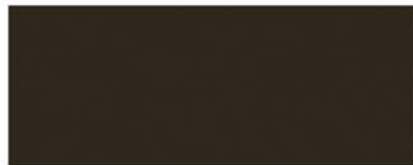

We offer 4 woodgrain finishes that simulated natural wood finishes. It is based on a unique patented woodgrain painting process from Decoral. This finish is created using a two-step process combining a powder coat base with ink sublimation, This process was originally commercialized in 1996.

**All the warmth and beauty of natural wood, without hurting a single tree...  
...You gotta like that!**

4 Custom Woodgrain Colors Available for All Vinyl Products

**Laminated Bronze**

**Laminated Golden Oak**

**Laminated Mahogany**

**Laminated Walnut V**

Color Options... Same Woodgrain Color In & Out Or We Can Even Accomplish The Sought After Two Tone Process "Different Colors In & Out"

Simulated wood grain finishes by nature are designed to imitate real wood, and therefore will exhibit color variability. This is not considered to be a defect in the product.

*The colors shown above are as close as possible to the actual colors offered within the limitations of color on paper reproduction. Paint samples are available upon request.*
